

Good practice:: BLEEP

21st Century Skill connected: Initiative & self-reflection, productivity and accountability, leadership and responsibility.

Give an explanation of how this good practice works. Examples from websites, videos or other media are necessary.

BLEEP is about digital inclusion in the broadest sense. BLEEP is an innovative, creative, Europe focused blended learning platform for (ex) - prisoners, in which an individual has the ownership of the learning process that can be monitored to stimulate progress in developing skills.

The site can be accessed through app.bleepsite.eu

Explain how this good practice helps solve problems/stimulates social vocational skills in your country. If possible, provide data of how successful the good practice is.

This tool helps students reflect on their own pathways (health & wellbeing, work & learning, housing, etc.) and also get tips and tricks on how to best work on this.

Explain in one or two sentences how this good practice matches with the connected 21st Century Skill.

By working on different pathways by themselves the students are motivated to take initiative in their own re-integration. They not only are responsible for taking initiative, they also self-reflect and are productive in their re-integration.
