Enhancement of Social skills during Vocational training in prison (SOCVOC)

PROJECT NR. 2022-1-PL01-KA220-ADU-000087556

MULTIPLIER EVENT ON THE 15th AND 16th OF MAY 2024 EVALUATION - MINUTES

The multiplier event ME3 took place in Turnhout & Antwerp and was organized by Asturia vzw of Belgium. The feedback questionnaires were filled after the event on the 15th of May 2024 by all 25 participants.

The majority of the participants are residents in Turnhout or neighboring villages and students or teachers in adult education with interest in prison of vocational education in prison. 9 participants on the 16th of May were the representatives of the partners of the SOCVOC project. The students who participated work before or after school hours. Therefore they represent their working organizations but also the institute of adult education CVO EduKempen. At the workplace they have different roles like trainers, workers, administrators and others.

Results

1. All of the respondents affirmed to come to know about the “Multiplier event” through a direct invitation of the promoting organisation.
